

## Kunststoff wie neu (Plastic Like New) (black)

### DESCRIPTION

Plastic Like New has been specially developed to protect, treat and enhance the appearance of extremely faded plastic components on the vehicle exterior. The high concentrate, Plastic Like New, provides the optimum treatment for plastic in a single process and offers outstanding protection against aggressive environments and UV radiation.

### PROPERTIES

- enhances the appearance of faded plastics
- outstanding protection against aggressive environments and UV radiation
- simple to use

### TECHNICAL DATA

Basis	: dyes/silicones
Colour	: grey/black
Form	: liquid
Density	: 1 g/cm <sup>3</sup>
pH-value	: 7,5.
Solubility	: completely soluble in water

### APPLICATION

Used especially for treating and protecting all plastics on the vehicle exterior.

### INSTRUCTIONS

Where contaminated, clean parts to be treated beforehand. Shake Plastic Like New vigorously before use. Next, pour onto a soft cloth, polishing cloth or pad and apply thinly and evenly under light pressure. Allow plastic to dry like new approx. 15 min. and then rub in or polish. If applied to neighbouring components, remove immediately using a damp cloth. Do not use on the vehicle interior or on soft plastics. Regular application will result in the optimum care and appearance.

### AVAILABLE PACK SIZE

Plastic Like New (black)	250 ml	Part no. 1552
Plastic Like New (grey)	250 ml	Part no. 1553
